A **comprehensive [menu](#) of Pavilion Café** from Washington DC featuring all **18** menus and drinks can be found here on the list. Nestled in the picturesque National Gallery of Art Sculpture Garden, the Pavilion Cafe offers a charming spot to unwind amid stunning sculptures. While the outdoor setting is delightful and the coffee and pastries receive positive remarks, the culinary experience has mixed reviews. Some dishes, like the chicken and quiche, lack flavor and freshness, while pre-packaged salads raise concerns about quality. Though the overall atmosphere is inviting, long wait times and high prices can detract from the experience. Despite these drawbacks, the cafe remains a decent option for a light bite and a warm beverage, particularly on chilly days.
