Un completo [menu](#) di Basho Sushi Fusion da CATANZARO con tutti gli 17 portate e bevande possono essere trovati qui nel menù. Basho on the Rocks Pietragrande is a trendy spot for sushi with a stunning location, but it falls short in service and pricing. Despite the beautiful setting, the menu is only accessible through an unreliable QR code. Prices are high, with incorrect orders and limited dessert options. However, the sushi quality is commendable, with fresh, flavorful dishes. The staff is friendly and knowledgeable, providing a unique dining experience. While there are mixed reviews on pricing and service, the overall consensus is that Basho offers high-quality sushi in a picturesque setting, making it a must-visit spot for [sushi](#) enthusiasts in Catanzaro.
