A **comprehensive menu** of **The Beach House** from New Forest covering all **23** dishes and drinks can be found here on the card. The Beach House, a scenic spot by the cliffs, has garnered a mix of reviews recently. Diners appreciate its welcoming ambiance and dog-friendly policy, complemented by attentive service and delicious meals featuring well-cooked dishes and a variety of fresh vegetables. However, inconsistencies have emerged with service delays, limited menus, and issues with table availability, leaving some guests disappointed. While many recommend enjoying a drink in the garden after a coastal walk, others caution prospective visitors about the unpredictability of the dining experience. Overall, The Beach House remains a promising location, albeit with room for improvement.
