On this webpage, you can find the **complete menu** of **The South Beach Pub** from Northumberland. Currently, there are **17** dishes and drinks up for grabs. Nestled in a vibrant community, this pub offers a lively atmosphere, especially in the summer. While the decor leaves much to be desired and the management could improve customer service, many patrons appreciate the friendly staff and enjoyable dining experience. Despite some complaints about rising prices and management style, the pub frequently hosts engaging events, including children's parties that are well-received. With a menu that features delicious, varied options, including gluten-free meals, it remains a reasonable choice for families. However, it's worth noting that service can be unpredictable during peak times, and late-night visits may not always be reliable.
