Diners were overall dissatisfied with their experiences at an Ontario Barley Mow location, citing issues like undercooked carrots, dry chicken, high prices, mediocre appetizers, long wait times, and poor service. However, some customers still enjoy weekly specials, great service, delicious food, and affordable prices. The restaurant's ambiance was described as warm but with signs of wear. Despite mixed reviews, some patrons appreciated the effort to improve the menu with seasonal items and attractive deals like half-price wings on Thursdays. Despite its flaws, this Barley Mow location appears to have its regulars and may be worth a visit for different experiences.
